THE TELEGRAPH.

Friday Morning, July 2, 1880.

LOCAL NEWS.

WARRANTY and Quit Claim Deeds, Real Estate and Chattel Mortgages, Leases, Land Contracts and a full supply of Jos. tice's and Notary Blanks kept at the Texanultin office.

-Dr. D. S. Hall is stopping with his brother in Saybrook.

-Cleveland numbers 160,000, St Louis 275,000 and Chicago 475,000.

There will be a regular meeting of the Council next Wednesday evening.

-Why may we not have patriotic sermons from the clergy, on Sunday the 4th. -The heavy rain and wind of last week laid some of the heavier wheat and

STREET, 19th when it will begin a brief session to

to dispose of some special business. Cherries could not be finer or more abandant. They may be eaten with a

considerable degree of confidence. -The Times has a timely admonition to our farmers and stock growers, against selling all their best calves to western

stock growers. -The house of Mr. Tinker on Perk proportions. They are to be commodious and comely.

-Our Congressional Gladiators will ac commodate us, it their articles should be brought within the space of two-thirds, or three-fourths of a column.

- Madison, Geneva, Kingsville, Jefferson, &c., have already organized Garfield d Arthur clubs, and Ashtabula hopes to be in the same category before going to

-With such a candidate as the Democrats love brought out, with all they propose to do and say about him, they will \$55 for Commings, probably never again have occasion to declare the war a failure.

-Geneva seems to be engaged pretty 28th by Mr. W. E. Lockwood.

-The Demos. ratified a little the Cin. nominations on Thursday evening last, nusic and bonfires, and speaking by the Mayor, Dr. Frieker and Attorney Hoyt. They all did remarkably well, considering the tameness of the subject, and the absence of any mark by the nominees.

-Senator Plumb and family are stopping with Ashtabula Irlends. On Monday evening our citizens gave the Senator s whole imprompts thing was timely and presents so many favorable points. 91.2 creditable.

-A fire broke out about 10 o'clock, on house, at the L. S. Station, occupied by an employe and family. The fire appears to have taken on the second floor, burning off most of the upper part. Not insured and loss light.

-Some of the triends and neighbors of Mr. and Mrs. J. A. Howells made a de scent open them on Thursday ever,ing rather handsomely. A generous people and worthy recipients of their recogni-

-A six horse team passed by our office down Spring hill to the Watson flat, on Wednesday last, with a portable steam engine. This to be set up by Henry Starkweather, for the purpose of sawing up the timber, which we understand Mr. Stark weather has contracted for-in clearing off these premises.

-The 4th at Clevel and is to be on rather a grand and imposing scale-a spectacle that will repay an effort to see and enjoy. The citizens go late it very heartily and the interest to be enlisted it is hoped will be in much the same ratio. Our uptention has been called to it by a special. note from Secretary Eckman.

yours editor and proprietor of the 'Airard' brother, C. M. Bender, June 1st, and two weeks ago a well worded valuelictory an nounced the retirement of the Comopo life's able editor. Mr. Hander is under stood to have an eye upon the Eric Ga-

Rallies with appropriate exercises. The public are cardially invited to both serricon.

-Our hundred and seventy five dollars have been voted by council to Protection Engine Co., to be expended in the purchase of duiforms. A committee has been appointed by the company to go East and make the purchase, and the agents of the several insurance Co's., in town have generously contributed \$1 each to aid the boys in carrying out the meas-

-A friend at our elbow speaks of that very fine piece of wheat of Judge Parsons' on Station street, from a surveying of the field and the count of the berries in some of the heads-numbering 60-be reaches the estimate of 40 bushels to the acre. The exceptionable plumpuous of the berry, generally promises a better yield than last year. If not injured in the garbering, the wheat crop will not only be abundant, but with few exceptions, of superior excel-

-Mr. Stiles Dodge of Dodgeville, is fulfilling his regular annual denizembig among us for the purchase of wool. No much has come in yet; owing, we suppose to the depreased state of -first quality medium flueness ranging at bout Wrete.

Mr. E. R. Metcalf brought his clin ato town on Saturday, of 68 fleeces. It ras in unusually good condition and deirable grade. It was sold at the highest in ent rate-42 cents.

-The army worm is making its appronches upon us, having come within the conty. Mr. Stephen Wells informed us the other day, of a far in in Wayne upon which seventeen acres of a weadow had been oadly injured, or nearly doutroyed. The manner of their labors is the eating off of the leaves and the top of the grass-leaving only the stalk standing. Tidings of their presence and ravages reach us from the cast-New York and New E. sgland, There is, therefore, hardly any reas on to hope for escape from them, in this quarter in due time.

-In the general elemental fea de joie or Friday last, the Ellis factory came in for a little attention. A charge of electricity struck the second story near the southwest corner, passing down the line of the two windows, shattering the glass and shivering planks in its route, and turning On Friday Court adjourned until July the corner escaped from the front. A boy was cating his dinner very near the line followed, and several other hands were near by but none were hurt, though considerably surprised and rallied. Som, bricks were disturbed at the top of the wall, but the damage can be covered by \$15.

-The police docket was mostly a disposal of arrests for drunkenness. Four arrests were made as follows: Wan. Dixstreet, is so far up as to begin to show its | io, Thos. Cummings, James Roach, and Robt, Bell were brought before Esquire Heath, Monday. The first three were charged with assault and battery, on which Dixie plead guilty, and Cammings was found guilty, Rosch was discharged on this complaint. The four were then tried on a charge of riot, but the evidence being insufficient the case was diamissed. Dixie and Cummings were called to answer the charge of resisting officers, on which they were convicted. The result of the whole business is that Roach and Bell were discharged, Dixie and Commir.gs have fines and costs amounting to \$7.0 for Dixle and

Mr. W. Cook, of Friehmond Center, showed us the other day a specimen largely in the business of shipping beef cattle, as we gather from the Times. A car putting up about this county, which has putting up about this county, which has features about it, that gives it advantage over any that we have before noticed. I ls manufactured by Turner Manufactur ing company of Caicago. It is double plate copper with r olid copper joints, and of 5-8 size, and put up with or without in solutions as the parties may prefer. The recent theory is that insolations are of no use. Mr. Cook is pretty well posted in

the more advanced views on the subject, and proprises to do what he agrees to with intelligent assurance. He will canvass this section of the county and rod the serenade, calling him out in a next re- buildir age of our citizens, and stand by his spense. Mayor King followed, and the guars nices. We have seen no rod that

--- The pleasure of a large party of young of seple from Geneva, cisme to a sad ending Monday evening, in a small tenement a Sturgeon Point, about 4 o'clock Westnosday evening. A number of the company were buthing in the lake, among them Mr. Geo. Haskell, and Miss to Ella Noves and Mande Bowers, and being unable to swim were enjoying themse, wes in the breakers with the support of a plank, Unnoticed by the rest they were swept over a deep hole, in which Miss Noyes sank. last—the twenty fourth anniversary of Mr. Haskell endeavored to save her, but their congugal life, and treated them was himself nearly drowned before assistance reached him. Miss Bowers clung to the plank and by her cries brought help in time to save her and Mr. H., late to rescue the unfortunate Miss Noves The drowned girl is an only daughter of a widowed mother, whose grief may well be imagined. Her age was about twenty. She was much respected.

4th July Excursions.

The Pennsylvania Company, operating the Fittsburgh, Ft. Wayne & Chicago, the Cleveland & Pittsburgh, the North We stern Ohlo, the Erie & Pittsburgh, and As mabula & Pittsburgh Railways, will self Excursion Tickets on July 3d, 4th and 5th, 1880, between stations on above railroads at reduced rates. These tickets will be good on all Passenger Trains to -Mr. Jacob Bonder, for the past sight and from such stations as they stop at regularly, according to schedule. Should there he a sufficient number from any one station to justify the Company running special trains, arrangements can be made by applying to Division Superintendents, giving theely notice to prepare the trains. This amounteement is made by request of F. R. Myers, General Passenger and Ticket Agent.

-Next Sunday morning, Rev. Mr. -The thunder aform of Friday 11000. French will speak on Sunday school work | last was a figure and segrifile one. Such a at the Haprint charril, at three o'clock in display of elemental pyrotechnics is selthe afternoon. At same place the S. S. will door realized. The fluid and its depositions collebrate the 100th anniversary of the second to hargever this village for fifteen founding of Sunday Schools, by Robert or twenty minutes, and the sharp exploions that succeeded on a other gave goo evidence that we were the centre of the strife. A very heavy bolt struck the spirof the Congregational church knocking off some dozen feet, leaving only a slive standing. If then descended, sluttering and splitting it, and knocking out two considers ble holes. In the lower a window frame was thrown out upon the roof. This was above the beifty. From this point no trace of its descent could be found. The in-jury sustained by this beautifully inputed spire, was such as to render it musate, and herefore, it has been taken down, and it this writing it is not known what will be femel with it. It has been tempo rarily boarded over until a decisio We have heard no estimate of the damage, but are of the opinion that the loss could not be made good for an outlay of \$500, and perhaps newer double that sum.

HANNA-TOPKY.

A pleasant gathering of friends met at back to make room for the bride and grooms. On entering they took their places at the center of the parlors—undernoath a tasteful arch of grounder found the parlors and flowers a tasteful arch of grounder found to ground the foundation of white flowers, with a clapper formed of a large scarlet blosseon. The effect of this flower to be constant to ground the foundation of the cery constant as a supercred, and trainmations made against set. Set. for was fine, as the young couple pronounced their solemn wors togeth other. The corresponding to the country was given in Mr. Withfart's nound my bonds against threats and attacks appropriate and effective manner of row made by some person behind an assumed dering, and although the occasion was a langue. Now let me correct what seems to joyons one, we could see that the nubidden to be an errogeous impression in punteer would fall, as parent and sisters mind, and in order to do so I must go were giving their congrainlations to the back a little. In one of your letters to happy pair. The bride was becomingly Mr. H., you made use of language which tired in a lovely cream colored with was directly raisulated to charge Mr. N with slong, graceful train, and full boo-with slong the mither of the real law of caded polanaise to match; handsome '60 or 62. I answered you stating that frings and lace trimming, white flowers in Hon. N. D. Yibbalic—now one of the honthe bair, white satin shows, all of which, ored judges of Summit Go. was the an-adied to the charms of the pretty bride. ther and that Mr. N. had nothing to de

the plane, were as follows: A family hible, about Mr. Howland? And then I cited large and elegant from Mrs. Topky; a several acts and constitutional amount, canary bird in cage from Olie Topky; ments which were passed by legislatures of check of \$100.00, James Hanna; check which he was a member, and which acts of \$50.00, C. Hamm; Solid silver ten and amendments were afterwards repealspoons, Maude Hanns; elegant slivet ed, or veted down by the people. Now in water pitcher and goblet, F. C. Geiner; your last letter you back out of your inwater pitcher and goldet, F. C. Geiner; blue embroidered satin and lace tollet set, Mrs. Chas. Geiner; one dozen silver limits and the was the author, and virtually admit, because you do not deny, knives, Horace Streeter; silver pickle castor, Mr. and Mrs. Streeter; same, Mr. and Mrs. Wm. Sooville; silver butter dish, Mrs. Miles; silver castor, Mr. and Mrs. Sheldon; white satin fan, hand painted, the Misses Lee; picture and easel, Mrs. Carrie Kepler; fine towels, Alice Robertson, picture and easel, Sophia McGiffert; elegant cushion, Mamie Fisk. The groom's present was a very elegant pair of brace, lets, Tennyson's posens, glove hox, silver fruit knife, pair of vasea, and some other gifts from friends away. The presents not seen were an entire kitchen outfit of show you that the objection which yen locked castors. not seen were an untire kitchen outfit of furniture, by the father of the bride, A | urged against Mr. N. would lie with, perchamber set by Hattie Topky; refrigera, haps, greater force against Mr. H. Now tor, Johnny Topky; china ten set, Mrs. one other objection I wish to deal with. Hanna; marble top table, Addie Hanna

with some others unknown. The bridal couple departed on the mid. aight train for Buffalo, from which city they expect to take a trip up the takes, returning in a few weeks to their future ome on Euclid Avenue, Cleveland, O. wish of their many Ashtabula friends,

I submit to the voters of the 19th Conressional District, whether it is Mr. brthway or Mr. Howland who possesses hose qualities in a large degree. Since the formation of the National Republican party in 1856, Mr. N. has been in active ervice, and since 1862 he has been more rominent as an active campaign worker than any other man now in our county; ever ready, he has willingly responded to the call of those who needed campaign tabor, and often, at a great escrifice of time and money, he has taken up the bardens of his party, until he has tonde in has he ever forced himself upon the peo-

cannot be nominated, is growly untrue.

Your fast article is written in such a sold spirit that no reply is needed, so the passent why you wrote it. We have no each to get, in a friendly manner, all the

Mr. N. has, in algious every conceivable

delegates he can, in say and every part of on the readers of the Telecharm and when the district, and when the strength of we cause to discuss the congressional ques-such is tested at the Convention, let the trongest candidate of the two pake the ands, we ought to close altogether.

Neither have we any right behind assumed usines to flow toolt and II, he not signified his willingness to accept the proposition. You have tried to are rights which ought to be respected.

And here let use appeal to the letters effect mr. Hashell has said that if they exist mr. Hashell has said that its friends

"That your fetters were having the efyour letter to prove that you have, he way's strongth, and make their second nind your fletitions name, said and insinu-choice some one also beside Mr. Howland, and things significant. Northway which and he not an Ashtabula Co. man, etc.; very different from saying that Mr. Northway's friends would go out of the county for their second choice. If you cannot long your hat up on a stronger peg than At the April election, Mr. Haskell, upon for their second choice. If you cannot his two motion alone, as he says, inquired tang your hat up on a stronger peg than of several hundred persons, who their that I would advise you to keep it on. Over your strong phrases, I appeal to the voters of this county and District to say A pleasant gathering of friends met at of a communication from Mr. II, or any the home of Mr. and Mrs. II, J. Topky other person, was published, when in a Maine St. on Wednesday evening hal, to short time appeared your first letter rules out of his own topscale. Witness the marriage of their slaughter, the to manufacturing public mentionent, formed, talked with many neighbors on massing E. Topky to Mr. W. S. Hanna in which you attacked Mr. H. In a manner the subject of his candidacy, or is it your Miss Laura E. Topky to Mr. W. S. Hanna of Cieveland. Rev. J. S. Modifferi, was the officiating elergyman. The pleasant parties were sail filled, with a galaxy of beautiful young ladies with their fine looking essents. Also happy bright locking well dressed matrons with their gentleman-attendants, who a few minimum ster the appointed hour for the expulsion, with their gentleman strendants, who a few minimum ster the appointed hour for the expulsion, the place of the summanually to be wholly injustifiable, and not only that, you also went beyond that and attacked several times as I know, and who, besides has vielted many school drifting and how he songlit the opinions of so many on the Congressional question, whereapon you again took personally relicited the voters in support time. Again Mr. N. has not imported men that of his opicinent, nor has he got up ly in a manner not warranted by any "correspondence of the Louisville any "cor any "correspondence of the Louisville Journal," or any other paper, to attempt to make capital at home, nor has he sought out rich friends to offer office to voters in this District, if they will but

upport tim.
That he has a monly ambition to go to ingrees, and has sought in manly ways o let his ambition be known, I do not doubt; farther than this cannot be shown. loade, farther than this connot be shown.

Mr. "Rejax," I will leave you now with
the hope that if you reply to this, you will
to so is language which will be in keeping
with the subject under discussion.

Eds. Tel.—The ripe wheat is being cut.
The farmers feels now as though his work the former on the post of the value of Dr. Thomas' Eelectric Oil, has been fully established for many years, and now faw families on the American continent, but are aware of its choered with the presence of the efficacy, in cases of rheumatisms and neural-

choered with the prespects of large yields

Mr. H. A. Eastman left this morning
for Oil City, where he engages in business.
He will be missed here, especially in the
Sunday school of the Presbyterian Church,
of which he was Superintendent, as well
as in husiness circles generally.

Mr. Philip Remlinger, an old subscriber
to our paper, and well known in the whole
retrorounding country, informed as the
other day that his wife, who for two weary
rears had suffered with rhe-matiam in the
shoulder, during which time she had been
traded by soveral physicians without suctess, has been completely cured by a single
lattle of St. Jacobs Oil. Becuryers, Ohio.

Feb. 13, 1879. Cossier.

A Great Enterprise.

The hop bitters manufacturing company is one of Richester's greatest business enterprises. Their Hop Bitters have reached a sale beyond all procedent, having from their intrinsic value found their way into almost every household in the land. Graphic.

It is impossible for a woman after a faithful course of treatment with Lydia E. Pinkham's Vegetable Compound, to con-tinue to suffer with a weakness of the uterus. Enclose a stamp to Mrs. Lydia E. Pinkham, 231 Western Avenue, Lynn, Mass, for her pamphlets.

Mr. R. Kennetta, Canal street, N. Y., writes I have been a sufferer for years from dyspepsia, and an affection of the kidneys, have tried numerous remedies to no purpose, until I tried rour Spring Blossom, now both dyspepsia and kidney difficulties have vanished and I unjuy life better than for many years. for many years.

The truth the Whole truth and Nothing but the Truth.
